# Wah Yan International Conference 2024

## Centenary and Beyond

---

24 April 2024

## INVITATION

Dear Wahyanites,

Following the centennial celebration of Wah Yan College Hong Kong in 2019, this year marks a major milestone as both of our Alma Maters are well into the second century of providing the excellence of Jesuit education in Hong Kong. On behalf of the Wah Yan International Conference (WYIC) 2024 Organising Committee, I have the pleasure of extending to you the invitation to attend this year's event. To be held from December 18-20, 2024 (Wednesday to Friday), this year's WYIC will culminate in the centenary celebration of Wah Yan College, Kowloon.

The WYIC 2024 will feature reports and updates from both schools, the Students' Associations, the Past Students' Associations, overseas chapters and more. To make the programme extra exciting, we are dedicating one day for an exclusive tour to the [Holy Spirit Seminary](#) and a company visit to [Phase Scientific](#).

Generally not open to public, the **Holy Spirit Seminary** is not only a base for seminarians who would be ordained to priesthood, but home to the rich history and culture of the Catholic church in Hong Kong and in South China. Whereas for **Phase Scientific**, set up WYK graduate Ricky Chiu ('00), it is an exemplary start-up from Hong Kong that edged out established Asia-based peers to win US approval for a Covid-19 rapid antigen test kit.

Campus tours will also be arranged on the second day for participants to see the latest developments in both schools up close. Full programme will be announced in due course, but some highlights below:
